

Hailey Rosquist

Data Science | GIS & Spatial Analysis | Data Visualization

(406) 438-3271 · haileyrosquist@outlook.com · <https://www.linkedin.com/in/hailey-rosquist>

EDUCATION

Bachelor of Science in Data Science

University of Oregon | Eugene, OR | June 2026

Domain in Geography

Relevant Coursework: Data Science, Geographic Information Systems (GIS), Spatial Analysis, Statistical Modeling, Data Ethics, Advanced Cartography, Computer Science, Linear Algebra

TECHNICAL SKILLS

Programming & Data: Python, R, SQL, RStudio, tidyverse, pandas, statistical analysis, data cleaning, exploratory data analysis

GIS & Spatial Analysis: ArcGIS Pro, QGIS, sf, tmap, tidycensus, spatial modeling, spatial statistics, geoprocessing, cartography

Data Visualization: ggplot2, Tableau, Excel, ArcGIS Pro, thematic mapping, dashboard and visual communication

Development & Tools: HTML, CSS, Git, GitHub, GitHub Pages, Microsoft Office

DATA SCIENCE & GIS PROJECTS

Seattle Metropolitan Spatial Analysis Portfolio

R | GIS | Census Data | Spatial Statistics | Data Visualization

- Analyzed demographic and socioeconomic patterns throughout the Seattle-Tacoma-Bellevue metropolitan area using U.S. Census and American Community Survey data.
- Cleaned, transformed, joined, and visualized large geographic datasets in R using tidyverse, tidycensus, sf, tigris, ggplot2, and tmap.

Northern Lights Visibility & Cartographic Analysis

ArcGIS Pro | NOAA Data | Spatial Analysis | Data Visualization

- Integrated geographic, atmospheric, solar activity, population, and aurora forecast data to analyze Northern Lights visibility across Nordic countries.
 - Processed and visualized data from NOAA, Eurostat, and other scientific sources to examine relationships between geography and auroral activity.
 - Designed a data-driven cartographic product combining thematic maps, charts, explanatory graphics, and written interpretation.
-

PROFESSIONAL EXPERIENCE

University of Oregon Student Recreation Center

Operations Lead | Sept 2023 - Present

- Coordinated daily facility operations and delegated responsibilities across student staff during high-volume shifts.
- Monitored operational information, facility conditions, and staff coverage to make real-time decisions and resolve problems.
- Documented incidents, facility issues, and operational activity to support accurate recordkeeping and management review.
- Assisted with staff training, hiring processes, procedural documentation, and workflow improvements.

University of Oregon Student Recreation Center

Operations Manager | Sept 2023 - Present

- Coordinated daily facility operations and delegated responsibilities across student staff during high-volume shifts.
- Monitored operational information, facility conditions, and staff coverage to make real-time decisions and resolve problems.
- Documented incidents, facility issues, and operational activity to support accurate recordkeeping and management review.
- Assisted with staff training, hiring processes, procedural documentation, and workflow improvements.
